Importance: High

Good Afternoon Brody: I was wondering if there has been any updates to the guidance documents that we continue to focus on for the Class VI application. Hackberry Carbon Sequestration continues to evaluate the geology in and around our project and is focusing on the opportunity to acquire more well information thru the authorization to construct a Class VI investigation well where we hope to eventually confirm the suitability for conversion to Class VI injection well.

For your information my employer sent out this public press release earlier today.

Regards

Good Morning Brody: just checking in with you folks and seeing if you have any questions regarding the Hackberry Class VI application?

Regards

Maurice Gilbert

The logo for SEMpra INFRASTRUCTURE features a stylized circular icon on the left, composed of three curved segments. To the right of the icon, the word "SEMpra" is written in a bold, sans-serif font, with "SEM" in all caps and "pra" in title case. Below "SEMpra", the word "INFRASTRUCTURE" is written in a smaller, all-caps, sans-serif font.

Maurice,

Thanks again for the informative presentation.

We will certainly be keeping everyone posted as we move forward with the review process.

All the best,

Brody
